

KLOVE radio station is the ONLY Christian family radio station we feel comfortable allowing our family to listen to. We do not listen to other stations (secular or Christian) because of the garbage that one finds on them. It would be detrimental to us and many others in our area to lose this station. It is the only radio station that we have found that provides very wholesome Christian values and family friendly listening for the WHOLE family.

Losing KLOVE Radio would be a great loss to many, as it can be life touching and changing. Many police and even stores turn their stations to this station because of the positive influence it has on others. It doesn't promote hatred, crimes or disorganization of any form.

I believe that KLOVE provides a very wholesome, positive, encouraging environment to those who listen to it. I even support it financially because I believe in it so much. PLEASE DO NOT take away KLOVE and replace it with a LPFM station. We get enough garbage as it is, please leave one of the last family friendly stations that there are intact. Thank You!!!!
